Children's Programme 2018

For 0 to 11 year olds, at Yearly Meeting

Overview of event

The Children's Programme is a significant and recognized part of Yearly Meeting (YM). It aims to offer an enjoyable, engaging and challenging programme based on the BYM agenda. It gives children, in age appropriate ways, opportunities to explore their place in Quakers and the world, to make friendships, to worship, to be creative, to have fun and to play games.

The Children's Programme is based in Friends House running 15 minutes before to 15 minutes after each YM session, morning and afternoon on Saturday to Monday. Made up of four age groups, each group has a team of three or four adult volunteers (depending on numbers booked) and a Key Facilitator. Age groups are split depending on final numbers and age ranges, but is likely that there will be two age groups for 0 – 5 year olds and two for 5 – 11 year olds. Apart from the very youngest group, each age group will have smaller groups and each volunteer will be responsible for working with a small group.

Number of participant spaces: 25 for 0 – 5 year olds and 36 for 5 – 11 year olds.

Adult volunteer role

Relationships: Volunteers are expected to get alongside children at the event, building appropriate relationships to support participants in exploring their Quaker faith and spirituality. Volunteers are required to work in line with BYM's Event and Activity Management Policy, modelling appropriate and inclusive behaviour.

Team

Adult Volunteers: 16 volunteers will be invited to join the Children's Programme Team, four of whom will be Key Facilitators who take the lead within each age group, also some volunteers will be asked to be in reserve to enable the teams to expand if bookings are high.

Key Facilitators may need to make decisions in relation to participants, team members or the programme when the circumstances do not allow for consultation with the whole team. Being available for local / area / regional events with Quaker young people

Overview

There are times when those running local / area / regional youth events with young Quakers struggle to find enough volunteers to make an event viable. The aim is to address this challenge by recruiting people who are willing to be contacted if extra support is needed on events organised by Quakers throughout Britain, for young people.

Those who are willing to make themselves available and be listed on the volunteer database, will be asked to provide details such as; the distance they are willing to travel, the types of event they are happy to work on and whether there are any dates that they are not available for in 2018.

Those requesting volunteers to help run Quaker youth events, will be able to contact CYP staff in Friends House and request for contact to be made with those listed on the database, to see who is available, and with permission, pass their contact details to those seeking help.

It is hoped that this initiative will support local / area / regional events in ensuring opportunities for young Quakers are available.

Adult volunteer role

This would be dependent on the needs of events but is likely to include the following:

Responsibility: Working with other team members to be responsible to ensure the smooth running of the event and programme. All volunteers need to work within BYM's Safeguarding and Pastoral Care Policies (see www.quaker.org.uk/cyp-policies-procedures).

Facilitation: Perhaps contributing to the planning and delivery of activities and sessions which take place during the event.

Support: Providing support to those responsible for the holding of the event.

Relationships: Being alongside young people at the event, building appropriate relationships to support them in exploring their Quaker faith and spirituality. Working in line with BYM's Event and Activity Management Policy (see www.quaker.org.uk/cyp-policies-procedures), modelling appropriate and inclusive behaviour.

Team

Adult Volunteers: To work alongside and as part of a team of volunteers on a local / area / regional event. To work under the direction of the body responsible for the holding of the event.

CYP Staff: Lucy Sam, Children and Young People's Officer, is the staff member responsible for supporting those on the volunteer database and for liaising with local / area / regional groups who wish to work with volunteers from the database.

Commitment required

Initially filling in a form to provide details of availability. Then responding to requests circulated to those on the volunteer database. When an offer is taken up, it will be necessary to follow through on the commitment agreed and work in appropriate ways according to the nature of the event.

If it is evidenced that this opportunity is being well utilised and meeting a need, future training and development opportunities might be arranged for those who are listed on the volunteer database.
